Something went wrong. Wait a moment and try again. Oops, the page you're looking for Disappeared Something went wrong. Wait a moment and try again. The owner and authors of this site acknowledge the authors of various text books, research journals, articles, codes of practices, handbooks, conference proceedings, seminar proceedings, free online sites etc. for their researches, writings, studies and for their contribution to field of Architecture and engineering over the years. The contents presented on this website are neither new nor discovered nor innovated by the owner or the authors of Civil Engineering Profile. Hence we acknowledge all the researchers, scientists, authors, photographers, artist, institutions who have contributed to knowledge in the field till day. Herein we have only made an attempt to provide solutions to problems or questions that arises in the mind of a common man. Of course the solutions or answers that we have provided definitely has a blend of knowledge available globally in public domain and the practical experiences of the authors and team since last so many years. That is why it is unique and appealing. The list of all the sources whom we express our gratitude is acknowledged whole heartedly on the website.
